RE: LETTER OF NOTICE TO ALL PLACES OF PRIMARY ASSIGNMENT

The attention of management has been drawn to a mischievous letter with the above subject, purportedly signed by the Director-General of NYSC, Brigadier General S. Ibrahim issuing a 17-day leave of absence to Corps members from Friday 20th December, 2019 to Monday 6th January, 2020.

2. The NYSC Secretariat, Lagos State wishes to dissociate itself from the letter in its entirety as it is a misleading semblance of a document that emanated from the office of the Director-General and the NYSC Secretariat, Lagos State.

3. For an avoidance of doubt, any Corps member that wishes to travel outside the state **MUST** apply in writing through the Local Government Inspector and the employer, and receive a written approval from the State Coordinator before embarking on such trip.

4. In view of this, Corps employers and the general public are to disregard the letter as Corps members continue to carry out their duties according to laid down procedures.

5. Thank you.

Aroni, S.R
State Coordinator
